

	Monday, June 29th	Tuesday, June 30th
<p align="center">Distance Learning—Week 10 (Summer 2)</p> <p align="center">Cadw'n Heini, Cadw'n Iach</p> <p align="center">Keeping Fit, Keeping Healthy</p> <p>We will be setting you a variety of tasks covering different skills and subjects such as: numeracy, literacy, science, creative tasks, PE and more. Your work will be released on a daily basis, but will be available until the end of the following week,</p> <p>Remember, you can contact your class teacher via email or via the class stream on Google Classrooms with any problems or questions. If you cannot find any information, check the school website on the Year 5/6 page as this is being updated regularly with all relevant information!</p> <p>https://www.ysgoldeganwy.co.uk/school-closure-2020/blwyddyn-5-6-school-closure/</p> <p>KEY FOR WHERE TO FIND YOUR DAILY TASKS</p> <p> PURPLE MASH TASK</p> <p> LBQ (Learning By Questions) TASK</p> <p> ON PAPER</p> <p> ONLINE ELSEWHERE</p> <p>Tasks to be completed each week on PurpleMash- please use the 2do section as this means your work gets sent straight to your teacher:</p> <ul style="list-style-type: none"> - Monster Timestables (we get your scores each week, try to beat last week's score!) - Mixed Timestables 1-12 - Comprehension pack, handwriting and spelling words are still be completed (one each week) - Spelling - Set 25 (The last set in your pack!) 	<p align="center">Literacy - Reading and Spelling</p> <p>Reading - Take the opportunity today to spend some time reading 'Wonder'. You should be reading the novel at your own pace, picking up from where you last read.</p> <p>Spelling Practice - This Friday will be your last spelling quiz. Wouldn't it be fantastic to finish with full marks? Take the chance today to practice the words for your group (set 25). Think about the various methods/strategies in your spelling practice packs, and choose some of these to help you practice your words.</p> <p>Handwriting - Complete an activity in your handwriting pack, if you have not already finished the pack.</p>	<p align="center">Literacy - Olympic Sports</p> <p>This week, the topic of your writing is to 'inform'. This means that your writing tasks will be information based. There will be three tasks altogether, and they are going to be split over three days.</p> <p>Today's task is labelled 'Olympic Sports'. Your task today is to choose an Olympic sport that you are interested in and to write about it. You will need to consider the 'think about' helpful hints on the task when you are writing. These include equipment needed, how many people can play the sport, clothing and your own opinion on why you like that sport.</p>
	<p align="center">Mathematics</p> <p>Fractions - We will be continuing work on Fractions this week. This week's tasks will be a series of questions for you to complete. You can either print these tasks off and fill them in or you may answer them in your learning log. There will be three tasks to choose from, and these will be in your daily email. In addition to the worksheets, there will be an answer sheet for you to check your answers against after completing the task. Before starting the task, in the daily email from your teacher there will be a video explanation for each task. Watch the video that matches the task you have chosen prior to starting.</p>	<p align="center">Mathematics</p> <p>Fractions - Today you will be completing the second worksheet on Fractions. Like yesterday, you can either print these tasks off and fill them in or you may answer them in your learning log. There will be three tasks to choose from, these will be in your daily email. In addition to the worksheets, there will be an answer sheet for you to check your answers against after completing the task. Before starting the task, in the daily email from your teacher there will be a video explanation for each task. Watch the video that matches the task you have chosen prior to starting.</p>
	<p align="center">Science</p> <p>2Do: Health and Wellbeing Quiz - This week your task will be to use the knowledge you have gained over the last few weeks. You will answer questions about your body, exercise, your teeth, healthy food and nutrition and infections. Use the resources that you have been provided with for previous tasks and your own work to help you answer the questions. Good luck.</p>	<p align="center">Cymraeg - Bwyd</p> <p>As our topic this term is all about keeping fit and healthy, we have been looking at Welsh vocabulary for sports and hobbies. However, it is also vital that we eat the right foods to keep our bodies healthy. Therefore, today, we would like you to navigate your way to the Learn Welsh website (https://www.learn-welsh.net/welshtopics) and choose the 'food' topic. You can choose either the 'beginner' or the 'intermediate' category to work on. Play the games in order to learn the vocabulary. You will be completing a quiz on this tomorrow!</p>
	<p align="center">Get Active!</p> <p>Join the Super Movement! Super Movers is a campaign from the Premier League and BBC to help get pupils up and moving while they learn. So why not get active today whilst revising some French greetings with the help of Premier League footballers?</p> <p>https://www.bbc.co.uk/teach/supermovers/ks1--ks2-mfl-french-greetings-with-ben-shires/zdpdvk7</p> <p>Use this clip to help you develop your own super move:</p> <p>https://www.bbc.co.uk/teach/supermovers/whats-your-super-move/zjiwcqt</p> <p>It does not have to be complicated, it can be as simple as thinking of two actions that can be put together and repeated over and over again to keep the body moving. Do not forget to speed up and slow down your super moves and think about how moving makes you feel.</p>	<p align="center">Be Creative - Vincent Van GoghArt</p> <p>Watch the rest of the tour around the Van Gogh Museum in Amsterdam. The links can be found in your email on PurpleMash. As you will notice, Van Gogh enjoyed drawing trees.) Have a go at drawing your own version of one of his tree paintings; draw one a tree can see from your home or look on the internet for a picture of a tree you could copy.</p>

Wednesday, July 1st	Thursday, July 2nd	Friday, July 3rd
<p align="center"><u>Literacy - History of the Olympics</u></p> <p>The modern Olympic games of today are in some ways different to what is known as the 'ancient olympic games'. Your task today is to research the history of the olympics, by focusing on the 'ancient games'. You should open the 2Do task and use the 'think about' section to help you. You should hover over each part and read the tips. These will help guide your research and tell you what to look for. When you have completed your research, fill in the template provided.</p>	<p align="center"><u>Literacy - London Olympics 2012</u></p> <p>The Olympic Games were last hosted in the UK in London in 2012. Today's task is to research the London 2012 games and to create a mind map of interesting facts. You should think about how Team GB fared in the games, any big achievements, the stadiums and other locations used to host the games, who won the most medals etc. If you would prefer to research another specific Olympic games, you are free to do so, however, try to keep it modern as you researched the history yesterday. Other most recent hosts are Rio 2016, Beijing 2008 and Athens 2004.</p>	<p align="center"><u>Literacy - Spelling and Comprehension</u></p> <p>Today, you will need to complete the comprehension assigned to your group on Purple Mash and also complete your spelling quiz.</p> <p>Comprehension - Groups Coch, Gwyrdd ac Oren - Chapter 1 of 'Ted and the Flying Fruits'</p> <p>Groups Piws a Glas - Chapter 3 of 'The Ice Cream Villain'</p> <p>Spelling - Week 25</p> <p>Continue with reading the novel, 'Wonder', at your own pace.</p>
<p align="center"><u>Mathematics</u></p> <p>Fractions - Today you will be completing the third worksheet on Fractions. You can either print these tasks off and fill them in or you may answer them in your learning log. There will be three tasks to choose from, as always and these will be available on the school website and in your daily email. In addition to the worksheets, there will be an answer sheet for you to check your answers against after completing the task. Before starting the task, in the daily email from your teacher there will be a video explanation for each task. Watch the video that matches the task you have chosen prior to starting.</p>	<p align="center"><u>Mathematics</u></p> <p>Fractions - Today you will be completing the fourth worksheet on Fractions. You can either print these tasks off and fill them in or you may answer them in your learning log. There will be three tasks to choose from, as always and these will be available on the school website and in your daily email. In addition to the worksheets, there will be an answer sheet for you to check your answers against after completing the task. Before starting the task, in the daily email from your teacher there will be a video explanation for each task. Watch the video that matches the task you have chosen prior to starting.</p>	<p align="center"><u>Mathematics</u></p> <p>Maths Challenges and Problems - For today's task, you are going to give a series of challenges, games and problems a go. To solve these challenges, you will need to use your problem solving skills as well as the maths skills you have learnt already this year. Explanations of each challenge will be sent to you by email. If you do not have any dice at home, then you can use an interactive dice by following this link. https://nrich.maths.org/6717</p>
<p align="center"><u>Cymraeg - Cwis Bwyd</u></p> <p>Yesterday, you took the time to learn some vocabulary associated with food and drink. Today, you are going to complete a 'Cwis Bwyd' on Purple Mash. Please read these instructions carefully:</p> <p>Cwis Gwyrdd a Melyn - These are suitable if you revised the vocabulary on the 'beginners' section of the 'Learn Welsh' website.</p> <p>Cwis Coch - This is more of a challenge, and is suitable if you revised the vocabulary on the 'intermediate' section of the 'Learn Welsh' website.</p>	<p align="center"><u>ICT - 2Animate</u></p> <p>Last week you created an animation of a sport or game being played. This week, you will need to create an animation of the game you have invented last week during your Get Active session. The animation must show the game being played and have clear instructions and guidance on what is happening during the game so that other people watching the animation could try the game. You can do this by inserting text on the animation (maybe as speech bubbles from the characters) or through recording yourself explaining. Once you have created the animation of your game, blog your work to the class blog for your classmates to have a go at playing them and remember to provide positive feedback on others' work whilst you are there!</p>	<p align="center"><u>Weekly Reflection</u></p> <p>Complete the weekly reflection template on Purple Mash. This has been set as a 2Do. Tell us how you have found this week. What worked well? What did you learn? What problems did you encounter and how did you overcome them? Then set yourself three goals for next week.</p> <p>Remember to complete every section of the task and feel free to add in pictures of what you have been up to if you wish!</p>
<p align="center"><u>Be Calm</u></p> <p>Keeping healthy does not always mean just physically healthy. It can also mean looking after you, how you are feeling and your brain space! Today, your task is to choose somebody who lives in your house and spend some quality time together. It could be reading together, sewing, baking, playing catch or in the garden, a jigsaw, a board game or catching up on your favourite TV programme together - but take the time today to be calm, to enjoy each other's company and look after your brain space!</p>	<p align="center"><u>Get Active!</u></p> <p>Last week you created your own game and completed a page to explain how to play and what the rules were for the game. This week we would like you to blog these on PurpleMash and then have a go at some of your classmates games. You may need to be creative and adapt their games if you don't have all the same equipment. Good luck and have fun! Once you have tried the different games, remember to leave positive feedback of what worked well in the different games!</p>	<p align="center"><u>Be Creative</u></p> <p>This afternoon, you can choose to be creative in any way you wish! Being creative can involve many different things, including dance, painting, sketching or even baking! Take the afternoon to spend some quality time with people at home and get creative! We would love to see what you get up to, so feel free to send any work or pictures through Purple Mash.</p>
